RE: Docket No. 07-16

Marlene H. Dortch, Secretary  
Federal Communications Commission  
Office of the Secretary  
445 12th Street SW  
Washington, DC 20554

Dear Madam Secretary:

Due to my employment as the **Hispanic Affairs Liaison** for **Florida's Hillsborough County**, I am interested in the proposal by M2Z Networks to **create a free broadband network throughout the nation**.

**My** region's large *Hispanic* population has **many** unique challenges. The agricultural **based** economy of our rural areas **provides limited opportunity for** occupational growth, and **our minority** citizens must also deal with the **unique** challenges caused by this regions' catastrophic weather. A **free** broadband network would assist in distance-learning opportunities, become another tool for job **networking**, and assist emergency responders in case of dangerous weather.

Our community is being **left** behind by the technological revolution. A **broadband** internet connection, provided for free by a **third party**, would be a **step** towards helping our citizens **achieve the American Dream**. I'm in favor of Docket No. 07-16, the M2Z Networks **proposal**, and I urge you to **approve this legislation**.

Sincerely,

  
Tony Morejon  
Hispanic Affairs Liaison  
Hillsborough County
